See Galileo HUD Manual: Chapter 1.3 Mounting the HUD holder to your mask. Under Step 2 you find further instructions how to: (1) Cut both legs of holder, (2) Cut all three legs of holder. NOTE: If you can't find your mask on the above overview, please ask your SCUBAPRO Dealer for more information. [www.scubapro.com](http://www.scubapro.com)  
 \*This mask requires step 5: 1.2 Mounting the HUD on your mask.
